

Microscopy of Semiconducting Materials (MSM-XIX)

29 March – 2 April 2015

Murray Edwards College, Cambridge, UK

Organised by the Institute of Physics Electron Microscopy and Analysis Group (EMAG)

The bi-annual conference series 'Microscopy of Semiconducting Materials' has a long tradition in focusing on the most recent advances in the study of the structural and electronic properties of semiconducting materials by the application of transmission and scanning electron microscopy. The latest developments in the use of other important micro-characterisation techniques including scanning probe microscopy and X-ray topography and diffraction will also be featured.

Exhibition

A table top exhibition will be held alongside the conference on Monday 30 March, Tuesday 31 March and Wednesday 1 April. The exhibition will be located in the concourse area together with refreshments, lunch and reception on Monday evening to ensure exhibitors get an opportunity to network and showcase their products to participants and to maximise your time spent with the delegates.

Why exhibit?

- demonstrate the range and quality of your products;
- maximise your exposure both nationally and internationally and connect with industry representatives;
- target new customers and build existing relationships;
- showcase new or upgraded product ranges.

Exhibition package

£550+VAT

Space is available as a table top display and includes:

- one 6ft table and chair;
- company logo and link on the conference website;
- company logo and profile in the delegate handbook;
- lunch and refreshments for one representative for the duration of the exhibition (30 March – 1 April). This package do not include evening meals, conference dinner and accommodation, which can be booked separately by contacting Dawn Stewart.

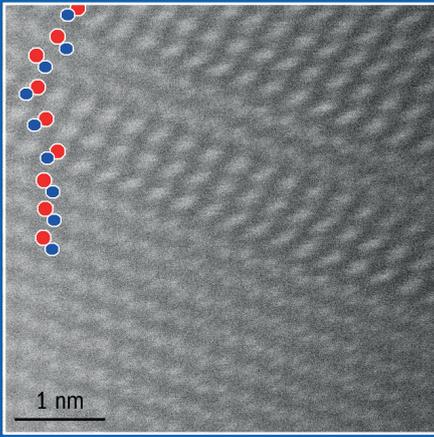

Exhibition packages are limited and allocated on a strictly first-come, first-served basis. To reserve your space, please complete and return the exhibition stand reservation form overleaf.

Sponsorship

We also invite sponsorship from companies and organisations wishing to raise their profile within the community and increase their visibility at the conference. The platinum sponsorship package includes an exhibition package and full conference registration.

Why sponsor?

- an opportunity to promote your organisation and raise your profile within the wider community;
- promote your company name to national and international participants prior to, during and after the conference – these include decision makers, scientists and students;
- demonstrate your commitment to assisting the development of young researchers;
- your representatives can mix informally with professionals from industry and academia in the UK and all around the world;
- your support of the conference will be acknowledged widely through web-based and printed material;
- sponsorship contributes significantly to the promotion, planning and operation of the conference, reducing the overall cost of managing the event and enabling a higher level of participation.

Microscopy of Semiconducting Materials (MSM-XIX)

29 March – 2 April 2015

Murray Edwards College, Cambridge, UK

Platinum sponsor

£1000+VAT

Included within the platinum package:

- a table top display;
- acknowledgement as a platinum sponsor on all materials relating to the conference;
- sponsor may distribute a brochure in the delegate packs;
- sponsor's logo and profile will appear on the conference website;
- a one-page colour advertisement in the book of abstracts;
- one complimentary full registration to attend the conference (29 March - 2 April), including conference material, access to technical sessions, catering and conference dinner.

Gold sponsor

£750+VAT

Included within the gold package:

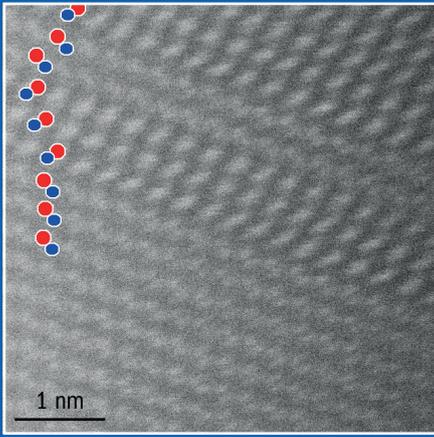

- acknowledgement as a gold sponsor on all materials relating to the conference;
- sponsor may distribute a brochure in the delegate packs;
- sponsor's logo and profile will appear on the conference website;
- a half-page colour advertisement in the book of abstracts;
- one complimentary full registration to attend the conference (29 March – 2 April), including conference material, access to technical sessions, catering and conference dinner.

Silver sponsor

£500+VAT

Included within the silver package:

- acknowledgement as a silver sponsor on all materials relating to the conference;
- sponsor may distribute a brochure in the delegate packs;
- sponsor's logo and profile will appear on the conference website;
- a half-page colour advertisement in the book of abstracts.
